Public Random Drawing/Lottery Policy

The Cottonwood School is committed to providing quality education to all students who wish to attend, within the school boundaries. Based on available resources, it may be necessary to limit admissions, and in that event a Public Random Drawing/Lottery will be held to determine admission. The Cottonwood School ensures admission will not be based on any protected characteristics, including, but not limited to, disability, race, gender, national origin, and religion.

The purpose of The Cottonwood School Governing Board approving the Public Random Drawing/Lottery Policy is to accomplish the following:

1. Establish the procedures under which the The Cottonwood School (“School”) will conduct the School’s public random drawing/lottery in the event that applications for enrollment exceed the School’s capacity.

- 1. Enrollment:** The School is a non-classroom based charter school that operates solely as an independent study program. Admission to the School is open to any student who resides within the boundaries of El Dorado County or an adjacent county. The School will accept all students who wish to attend, so long as it has the capacity to serve them. The School’s Governing Board will annually determine the maximum enrollment for each school year based on, among other factors, the annual budget, staffing, and available resources prior to the start of the Open Enrollment Period. Limits may be established by grade level and for the school as a whole.

The Board will set an Open Enrollment Period each year. Applications will be accepted during the publicly advertised Open Enrollment Period each year for enrollment during the following school year. Following the close of the Open Enrollment Period, applications shall be counted to determine whether the School has received more applications than maximum enrollment capacity. If the number of pupils who wish to attend the School exceeds the School’s capacity for a specific grade level, enrollment in the impacted grade level or levels will be determined by a Lottery conducted in accordance with the procedures set forth in this Policy and applicable law. Admission preferences will only be extended consistent with this Policy, the School’s charter, and applicable law.

Admission preferences will not be based on any protected characteristics, including, but not limited to, disability, race, gender, national origin, and religion. In addition, enrollment preferences will not limit enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, or foster youth.

- 2. Lottery Procedures:** In the event that there are more students who wish to attend the School than there are spots available upon closure of the Open Enrollment Period, the School will

conduct a Lottery during the Spring semester prior to the academic year for which enrollment is sought.

All pupils, except those who are guaranteed admission as provided in this Policy and the School's charter, who wish to enroll in the School must participate in the Lottery subject to the following:

1. Students who reside within the boundaries of the Buckeye Union Elementary School District ("District") will have their names placed in the Lottery pool twice.
2. Students who reside outside the boundaries of the District will have their names placed in the Lottery once.

The following students are exempt from the Lottery and are guaranteed enrollment in the School: (1) students currently enrolled in the School at the close of the Open Enrollment period; and (2) siblings of currently enrolled students. "Sibling" is defined as a pupil who has at least one biological or adoptive parent in common with the admitted pupil, or who has been legally adopted by or placed under the legal guardianship of at least one biological or adoptive parent of the admitted pupil. Step-siblings are only considered siblings if they reside at the same address as the sibling who is admitted into the School.

Public notice of the Open Enrollment Period and date of the Lottery will generally be posted on the School's website and the notice will provide the date, time, and location of the Lottery at least 10 days prior to the commencement of the Open Enrollment Period. This information will also be included in application forms. The Lottery will be conducted [by grade-level and] by the Principal or his/her designee using a random method of selection. Unique identifiers will be assigned to each applicant. The conduct of the Lottery will be open to the public and families are encouraged, but not required, to attend. The Principal or his/her designee will announce each applicant who is granted admission through the Lottery. Once the enrollment cap has been reached, the Principal or his/her designee will continue to drawing applicants will then be placed on the waitlist in the order drawn. Successful applicants will be notified electronically or by mail.

If a student is extended an offer of admission due to one of the preferences noted in this Policy or the School's charter, the School may request supporting documentation as part of the enrollment process. The School will conduct a verification of such documentation prior to finalizing the student's enrollment and may disqualify an applicant submitting materially false information.

After the Lottery process, and once an offer has been accepted by the family, additional information may be requested as part of the registration process. Following acceptance through the Lottery, students who are offered admission at the School at the time of the Lottery will have 10 calendar days to complete the registration process. If a student fails to timely complete the process, the spot may be filled from the waiting list.

Enrollment offers are valid only for the academic year for which the Lottery is conducted. There is no option to defer an offer of enrollment. Students accepting enrollment must

generally complete required independent study agreements within seven (7) days of the beginning of the school year, unless otherwise advised by the School.

- 3. Waitlist:** If a slot becomes available because an accepted student declines enrollment, fails to timely complete the enrollment process, a student leaves the School after the start of the academic year, or as spots become available, the School may notify families on the waitlist in the order they appear on the waitlist.

Students drawn from the waitlist shall have five (5) school days to accept the enrollment slot (via telephone or email to the School) and proceed with the registration process. Applicants must complete a registration packet with all required documentation and by the deadline given by the School to confirm enrollment.

Students who are not offered a spot for the academic school year for which the Lottery was held may remain on the waitlist for that academic year unless the parent or guardian requests that the student be removed from the waitlist earlier. The waitlist shall not carry over from one year to the next. Students who have not been admitted will be required to submit a new enrollment application for the next school year and are required to participate in the Lottery if space is limited.

Any oral notice given personally or by telephone may be communicated either to the director or to the person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director. The notice need not specify the purpose of the meeting nor the place if the meeting is to be held at the principal executive office of the corporation.

Section 11. QUORUM. A majority of the authorized number of directors shall constitute a quorum for the transaction of business, except to adjourn as provided in Section 13 below. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting, or such greater number as is required by the articles of incorporation, these bylaws, or the Law.

Section 12. WAIVER OF NOTICE; CONSENT. Notice of a meeting need not be given to any director who, either before or after the meeting, signs a waiver of notice, a consent to holding the meeting, or an approval of the minutes of the meeting. Notice of the time and place of holding an adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case notice of such time and place shall be given prior to the time of the adjourned meeting, in the manner specified in Section 10 of this Article VI, to the directors who were not present at the time of the adjournment.

Section 14. ACTION WITHOUT MEETING. Any action required or permitted to be taken by the board of directors may be taken without a meeting, if all directors shall individually or collectively consent in writing to such action. Such action by written consent shall have the same force and effect as a unanimous vote of the board of directors. The written consent or consents shall be filed with the minutes of the proceedings of the board.

Section 15. FEES AND COMPENSATION. Directors and members of committees shall receive no

compensation for their services; provided however, that directors and members of committees may receive reimbursement of out-of-pocket expenses, as determined by resolution of the board of directors. Nothing contained herein shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation for such services if compensation is awarded by the board of directors.

ARTICLE VII COMMITTEES

Section 1. COMMITTEES OF DIRECTORS. The board of directors may, by resolution adopted by a majority of the directors then in office, designate one or more committees, each consisting of two or more directors, to serve at the pleasure of the board. Appointments to such committees shall be by a majority vote of the directors then in office. The board may designate one or more directors as alternate members of any committee, who may replace any absent member at any meeting of the committee. Any such committee, to the extent provided in the resolution of the board, may have all the authority of the board, except with respect to:

- (f) the expenditure of corporate funds to support a nominee for director after there are more people nominated for director than can be elected; or

Section 2. MEETINGS AND ACTION. Meetings and action of committees of the board shall be governed by, and held and taken in accordance with, the provisions of Article VI of these bylaws, Sections 8 (place of meetings and meetings by telephone), 9 (annual and regular meetings), 10 (special meetings), 11 (quorum), 12 (waiver of notice), 13 (adjournment) and 14 (action without meeting), with such changes in the context of those bylaws as are necessary to substitute the committee and its members for the board of directors and its members, except for the following: (a) the time of regular and annual meetings of committees may be determined by resolution of the board of directors as well as the committee; (b) special meetings of committees may also be called by resolution of the board of directors; and (c) notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. Minutes of each meeting of any committee shall be kept and filed with the corporate records. The board of directors may adopt rules for the government of any committee not

Subject to the rights, if any, of any officer under any contract of employment, any officer may be removed, either with or without cause, by the board of directors or, except in case of an officer chosen by the board of directors, by any officer upon whom such power of removal may be conferred by the board of directors.

Any officer may resign at any time by giving written notice to the corporation. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any such resignation is without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party.

Section 5. VACANCIES. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these bylaws for regular appointments to such office.

Section 8. VICE PRESIDENTS. In the absence or disability of the president, the vice presidents, if any, in order of their rank as fixed by the board of directors or, if not ranked, a vice president designated by the board of directors, shall perform all the duties of the president, and when so acting shall have all the powers of, and be subject to all the restrictions upon, the president. The vice presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the board of directors or the bylaws and the president or the chairman of the board.

Section 9. SECRETARY. If required by the board of directors, the chief financial officer shall give the corporation a bond in the amount and with the surety or sureties specified by the board for faithful performance of the duties of his or her office and for restoration to the corporation of all of its books, papers, vouchers, money, and other property of every kind in his or her possession or under his or her control on the death, resignation, retirement, or removal from office of the chief financial officer.

ARTICLE IX INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES

Section 1. DEFINITIONS. For the purposes of this Article IX, the definition of the

terms "agent", "proceeding", and "expenses" shall be governed by Section 5238 of the Code.

Section 2. INDEMNIFICATION IN ACTIONS BY THIRD PARTIES. The corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor, an action brought under Section 5233 of the Code, or an action brought by the Attorney General of California or a person granted relator status by the Attorney General of California for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

Section 3. INDEMNIFICATION IN ACTIONS BY OR IN THE RIGHT OF THE CORPORATION. The corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the corporation, or brought under Section 5233 of the Code, or brought by the Attorney General of California or a person granted relator status by the Attorney General of California for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that such person is or was an agent of the corporation, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith, in a manner such person believed to be in the best interests of the corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 3 for any of the following:

(a) Any claim, issue, or matter as to which such person shall have been adjudged to be liable to the corporation in the performance of such person's duty to the corporation, unless and only to the extent that the court in which such action was brought shall determine upon application that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

(b) Amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

(c) Expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval, unless it is settled with the approval of the Attorney General of California.

Section 4. INDEMNIFICATION AGAINST EXPENSES. To the extent that an agent of the corporation has been successful on the merits in defense of any proceeding referred to in Sections 2 or 3 of this Article IX or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 5. REQUIRED DETERMINATIONS. Except as provided in Section 4 of this Article IX, any indemnification under this Article shall be made by the corporation only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Sections 2 or 3 of this Article IX by:

(a) A majority vote of a quorum consisting of directors who are not parties to such proceeding; or

(b) The court in which such proceeding is or was pending upon application made by the corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by the corporation.

Section 6. ADVANCE OF EXPENSES. Expenses incurred in defending any proceeding may be advanced by the corporation prior to the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the agent to repay such amount unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article IX.

Section 7. OTHER INDEMNIFICATION. No provision made by the corporation to indemnify its directors or officers for the defense of any proceeding, whether contained in the articles of incorporation, bylaws, a resolution of directors, an agreement, or otherwise, shall be valid unless consistent with this Article IX. Nothing contained in this Article IX shall affect any right to indemnification to which persons other than such directors and officers may be entitled by contract or otherwise.

Section 8. FORMS OF INDEMNIFICATION NOT PERMITTED. No indemnification or advance shall be made under this Article IX, except as provided in Section 4 or Section 5(b), in any circumstance if it appears that:

(a) It would be inconsistent with a provision of the articles of incorporation, bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) It would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 9. INSURANCE. The corporation shall have the power to purchase and maintain insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the corporation would have the power to indemnify the agent against such liability under the provisions of this Article IX; provided, however, that the corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the corporation for a violation of Section 5233 of the Code.

ARTICLE X RECORDS AND REPORTS

Section 1. MAINTENANCE OF CORPORATE RECORDS. The corporation shall keep (a) adequate and correct books and records of account kept either in written form or in any other form capable of being converted into written form and (b) minutes, in written form, of the proceedings of the board of directors and committees of the board. All such records shall be kept at the corporation's principal executive office, or if its principal executive office is outside the State of California, at its principal office in this state.

Section 2. MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS. The corporation shall keep at its principal executive office, or if its principal executive office is not in the State of California, at its principal office in this state, the original or a copy of its articles of incorporation and bylaws, as amended to date, that shall be open to inspection by the directors at all reasonable times during office hours. If the principal executive office of the corporation is outside the State of California and the corporation has no principal office in this state, the Secretary shall, upon the written request of any director, furnish to such director a copy of the articles of incorporation or bylaws, as amended to date.

Section 3. INSPECTION. Every director shall have the absolute right at any reasonable time, and from time to time, to inspect all books, records, and documents of every kind and the physical properties of the corporation. Such inspection by a director may be made in person or by agent or attorney and the right of inspection includes the right to copy and make extracts.

Section 4. ANNUAL REPORTS. The board of directors shall cause an annual report to be sent to the directors within 120 days of the corporation's fiscal year end. That report shall contain the following information, in appropriate detail, for the fiscal year:

- (a) The assets and liabilities, including the trust funds, of the corporation as of the end of the fiscal year;
- (b) The principal changes in assets and liabilities, including trust funds;
- (c) The revenue or receipts of the corporation, both unrestricted and restricted to particular purposes;
- (d) The expenses or disbursements of the corporation for both general and restricted purposes; and
- (e) Any information required by Section 5 of this Article X.

The annual report shall be accompanied by any report thereon of independent accountants or, if there is no such report, by the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

Section 5. ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATIONS. As part of the annual report to all directors, the corporation shall annually prepare and mail or deliver to each director within 120 days after the corporation's fiscal year end, a statement (described below) of any transaction or indemnification (i) in which the corporation was a party and (ii) in which an "interested person" had a direct or indirect material financial interest. For

this purpose, an “interested person” is any director or officer of the corporation.

The statement shall include the following information:

(a) A brief description of any transaction during the previous fiscal year that involved more than \$50,000, or was one of a number of transactions in which the same interested person had a direct or indirect material financial interest involving, in the aggregate, more than \$50,000;

(b) The names of interested persons involved in such transactions described in the preceding paragraph (a), their relationship to the corporation, the nature of their interest in the transaction and, if practicable, the amount of that interest; provided, however, that if the transaction was with a partnership in which the interested person is a partner, only the interest of the partnership need be stated; and

(c) A brief description of the amount and circumstances of any indemnifications or advances aggregating more than \$10,000 paid during the fiscal year to any officer or director of the corporation under Article IX of these bylaws, unless that indemnification already has been approved by the directors under Section 5238(e)(2) of the Code.

ARTICLE XI GENERAL MATTERS

Section 1. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts, or other orders for payment of money, notes, or other evidences of indebtedness, issued in the name of or payable to the corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the board of directors.

Section 2. CORPORATE CONTRACTS AND INSTRUMENTS; HOW EXECUTED. Except as otherwise provided in these bylaws, the board of directors may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the corporation, and such authority may be general or confined to specific instances; and, unless so authorized or ratified by the board of directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

Section 3. REPRESENTATION OF SHARES OF OTHER CORPORATIONS. The chairman of the board, the president, or any vice president, or any other person authorized by resolution of the board of directors or by any of the foregoing designated officers, is authorized to vote on behalf of the corporation any and all shares of any other corporation or corporations, foreign or domestic, standing in the name of the corporation. The authority granted to said officers to vote or represent on behalf of the corporation any and all shares held by the corporation in any other corporation or corporations may be exercised by any such officer in person or by any person authorized to do so by a proxy duly executed by said officer.

Section 4. CONSTRUCTION AND DEFINITIONS. Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the Law shall govern the construction of these bylaws. Without limiting the generality of the foregoing, the singular number includes the plural, the plural number includes the singular, the masculine gender includes the

feminine and neuter, and the term "person" includes both a corporation and a natural person. All references in these bylaws to the Law, the Law, or to the Code shall be deemed to be those in effect from time to time.

ARTICLE XII AMENDMENTS

The board may adopt, amend, or repeal bylaws unless doing so would be a prohibited amendment under the California Corporations Code. Any amendment to these bylaws will require a majority vote of the directors then in office; provided, however, that if the articles of incorporation of the corporation set forth the number of authorized directors of the corporation, the authorized number of directors may be changed only by an amendment of the articles of incorporation.
