BACKGROUND AND SUMMARY (overview):

During times of crisis or emergency, it is essential that public agencies are able to continue to provide critical services to the public. Assembly Bill 361 (Rivas), which will allow public agencies to meet remotely, as they do now under the Governor's Executive Orders related to COVID-19.

- While maintaining transparency and public access, local agencies, schools, would be able to meet remotely during a declared state of emergency
- While agencies would still be required to post agendas and meeting information, agencies would not be required to post meeting notices and/or agendas in physical locations when remotely meeting during an emergency
- While the public must continue to have access to the remote meeting and provided the ability to make a public comment, agencies would not be required to make all remote meeting sites accessible to the public, nor include the remote location details in the meeting notice or agenda during a declared state of emergency
- Additionally, agency board members would not be required to be at remote sites within the territorial bounds of the agency during a declared state of emergency
